Important!

Last Sunday following the Alliance Sports Youth tournament and two mixed games the clubhouse was left unlocked overnight. No damage was done, but there could have been serious consequences. Just to clarify, it's the responsibility of whoever opens the clubhouse, or changing rooms, to either lock up personally or know who is going to. Similarly, **any club member who spots that either is unlocked should not ignore the position but contact either their captain or a committee member** who will arrange for a keyholder to turn out. Contact details are on the website and in the fixture card.

Announcements

*This Section will be for births, engagements, marriages, deaths, hockey honours etc – **but remember you have to let us know what's going on!***

- ◆ Congratulations to Jason Evans (M1s GK) and Kate Askew on their recent engagement! I am sure they would both like us to thank anyone that attended Southgate Hockey Tour in 2007 for kidnapping Jason and taping him to a bench in our camp, making him feel welcome and keeping him fed and 'watered' so Kate could work her charm on him!

Brainwaves 2 Stortford

[Brainwave](#) is a fantastic charity that works with underdeveloped children of all ages to support and improve their rate of development, specialising in paediatric physiotherapy and occupational therapy. It is a charity that is especially close to my heart as my cousin's little girl Evie suffered epilepsy from a young age, which hindered her development, and she has benefited hugely from attending Brainwave in Witham.

A group of my friends, including Evie's Uncle and Godfather, are taking part in what can only be described as one crazy challenge! Between the 30th May and 2nd June eight guys will kayak in pairs across almost the entire width of the Country, (approximately 230 miles) from Bristol to Bishop's Stortford, that's just four days! This will test their fitness and mental strength to the limit and is in no way a boys' jolly. For more details and to meet the crew visit their [website](#).

The boys are still on the lookout for sponsors so if you or your company think they can help in anyway, [click here](#) to find out more or contact me - annasmith104@hotmail.com

Thank you in advance for any support you can give! *Anna*

CHELMSFORD HOCKEY CLUB

OLYMPIC HOCKEY TICKETS

The club has taken up its allocation of 34 Olympic Hockey Tickets. All 34 tickets are together on Saturday 4th August for the 19.00 to 22.45 session. The hockey is being held at the main Olympic Park at Stratford. We have decided to distribute them as 9 pairs to the Youth and 16 singles to Adults.

We will not be charging for them, they will be distributed by ballot within the Youth & Adult sections. The draw for the tickets will be on Club Day, scheduled to be 15th April, but that date is to be confirmed.

Those eligible to go into the draw will be all those who have paid or deemed to have paid for any membership, including social members, by the week before the draw. For the Youth there will be 9 pairs drawn but the youth member must be accompanied by a parent or very close adult relative. A further 10 “reserves” will be drawn who will receive a ticket if anyone drops out or returns their ticket. Anyone wanting to “Opt out” please let Doug or Peter Carter know asap please.

Members can opt out of the draw, if they know they cannot attend or do not want to attend (if they have their own tickets for example).

Winners will not be allowed to pass on the tickets to anyone else, whether a member or not, either free or selling them. Returned tickets or not taken up tickets will go to the next reserve.

If you have any queries speak to [Spence](#), [Kat](#), [Kitch](#) or [Doug](#) 24/2/12
