From Polly Bird...A (temporary, I hope!) Au revoir and good luck to Simon who I delivered down to Reading Uni today to start his Maths degree. By virtue of an extra weeks hockey training down there thanks to crashing on Sam Rayners floor for a week, he's made the uni first team for their match on Wednesday and has started training at Reading HC, he played for Reading 2As on Saturday and scored! Well done Simon and on that note Polly and the Club would like to say good luck to the other members who are off to uni - Steph Agar to Birmingham to study dentistry, Ben Sulley to Exeter to study engineering, Hugh Fillingham to Canterbury to study environmental studies and geography along with Georgia Herron, Charlotte McGuiness & Lizzy Holmes. We are not sure what the last three are studying but they have all gone to Nottingham Uni...brace yourselves Nottingham! To anyone we've missed, sorry - let us know and you'll get a mention next week!

Good luck to all of you, we'll miss you and hope your livers stand up to the assault of Freshers weeks!

**Job vacancy at Fastsigns...** We are looking for a sales / administration person, who is quick to learn, numerate, buzzy and an altogether nice person! If you know anyone who might fit the bill then ask them to email their CV to [863@fastsigns.com](mailto:863@fastsigns.com).

### Hockey Club Bar

As many will be aware I have just taken over as Bar Secretary for the hockey season. Nigel and Ian have done a great job and it will be a difficult, if not impossible, act to follow. I will need your help to have any chance of maintaining standards. The things I really need are;

- **Volunteers** who will lock up and leave the bar tidy at the end of the day. Nigel is giving me names of those that have done this and, I hope, will continue but more would be great. The more on the rota the less times any volunteer will be needed.
- **Teams** will be expected to run the bar after their games until the following games teams are ready to take over. This is nothing new but Captains please ensure this happens.
- I need to know early of any **events**, both internal and external, happening at the club that will involve the bar opening so it can be adequately stocked. Volunteers to run the bar at events will be needed. It is intended that the Whisky Night (1<sup>st</sup> December) and Beer Festival will occur this season.
- It would be helpful to have **an assistant** who could take on or help with some of the jobs if or when I can't make it. I hope to do most of the bar jobs late afternoons.
- If you think something is missing or not working with the bar then please let me know. I can't be there as often as Nigel and Ian have been (and I'm sure still will be!!) because I still umpire, but please leave a message or email me on [bar@chelmsfordhc.org.uk](mailto:bar@chelmsfordhc.org.uk)

Thanks in advance.

*Kat & Anna*

L5s youth players were complimented by their opposition on Saturday. Southend had noticed the youngsters were all new to playing up in the Ladies' League and said how good they were, with a special mention of Elona Woodford who they thought was a rising star.

### Chloe Rogers Highly Commended in Sports Personality of the Year category of the Chelmsford Sports Awards 2012!

Full article & nomination from Kath Macdonald can be found [here](#).

### Chelmsford Chumps!

L1's - Several members of the Ladies 1s team took a slight detour on the return trip from Wimbledon last Saturday by resolutely following satnav, but did benefit from a nice view of the Shard and a trip over Tower Bridge as they came through central London, still we saved the Dartford Toll charge and luckily no congestion charges on a Saturday...although there might be a fine or two.

### Top Scorers & Serial Offenders
