## Your help is needed!!

As you are all aware CHC is run by volunteers, unfortunately it tends to be the same old (no age insult!) faces that do the jobs needed to keep our facilities up to scratch and keep our hospitality at a high level. So, below are a couple of pleas for your help! If they are something you feel you can help with even if it's only on a couple of occasions, then please get in touch with the relevant people.

**Pitch Cleaning Rotor** - [Crawford McKee](#), our facilities manager is currently in the process of drawing up the new season's pitch cleaning rota in order to maintain the cleanliness of the water based pitch. For those that don't know this is a ride-on sweeper machine which is used once a week to ensure that the pitch is in the best condition for playing. All this requires is one hour of your time and full instructions will be given. The more people who volunteer, the less times everyone has to do it! We all know how much nicer it is to play on an algae free pitch (!) so if you can help then please get in touch with Crawf.

**Club Steward** - In order for the club to be open and ready to use for those on Saturdays, the club is looking for volunteers as "club steward" to work on a rota basis. They will be responsible for opening clubhouse, opening water pitch, water if necessary, turn on scoreboard, ensure ready for play, open sand pitch (if required), opening changing rooms, turn on hot water, opening link through to changing rooms, opening bar for soft drinks and be around to point players/oppositions in right direction and answer questions - again full instructions will be given and keys will be made available. It is not an onerous job but one which is very useful for the early teams so they can concentrate on playing. Timings wise, from around 30 mins before the first game to say 2pm.

The afternoon role involves the reverse of the above and runs from say 2pm to 6pm. If you are going to be around the club watching games then it is very easy to do this role - you don't have to be tied to the clubhouse/bar, so long as it is not left open and unmanned. If you are interested please sign up on the rota in the clubhouse or email [Kat](#).

## THIS Saturday

Both our Men's and Ladies' 1st XI are playing at home this week at 12 and 2 respectively. Come along and give them some home crowd support!

## THIS Sunday

Our Ladies Vets team take on Sevenoaks O35's in the first round of the EHL Cup. Come and support them at Chelmsford County High School and see CHC legends in action! If you are over 35 and interested in playing for the Ladies Vets please contact [Karen Cooper](#) who is captaining the side this year.

## Top Scorers & Serial Offenders

Click the above link to check your place in the Club's top scorers and see who's been named and shamed for being carded so far this season!

Please make sure captains (or assigned members of teams) pass this information onto [Jason Evans](#) after each game.

My inspirational tactics worked to get people scoring, Ian Hunter has now slipped to 7<sup>th</sup> position in the top goal scorers! Much of the same this week please!!

## Socials at CHC

Bec Budd is Social Sec this year and is currently getting together dates and ideas for socials. Over the next few Newsletters I hope to have some dates for your diaries for the 2011/12 social season! If you have any ideas for socials then please contact [Bec](#). She has sent out emails to all Captains asking for their team to organise one social this year. I think this is a great idea as will get lots of different themes in and hopefully encourage more of our members into the clubhouse. So, get your thinking caps on!

**CHC Christmas Party 10th December!!**
