BAR ASSISTANT NEEDED!

Robert Nourse is carrying on the role of Bar Steward/Secretary for another season but his youthful wife has only just joined the 'old man' in retirement and they plan to do some travelling. So, that will leave the bar unmanned and un-stocked which I and many of you will see as a DISASTER!

If you can help Robert with running the bar in his absence, or want to find out what the role entails then please contact him on 01245 250914 or via [email](#). Thank you!

If you've got any comments, suggestions for future articles, announcements or just generally any questions then please drop us an email at newsletter@chelmsfordhc.org.uk. **Kat & Anna**

NEW CHC KIT

As so many teams are playing at home on Saturday, there will be a fitting session for the new Adidas kit in the committee room from 5pm. This will enable you to order the right sized kit online to hit the deadline for the next bulk order from Adidas by InterSport Lewes. If you have not ordered your kit yet, please make every effort to attend.

Everyone who attended the Plum Tournament over the weekend was very impressed with the quality and style! If you ordered kit at or shortly after the AGM, most of this has been delivered and will be available to pick up on Saturday too.

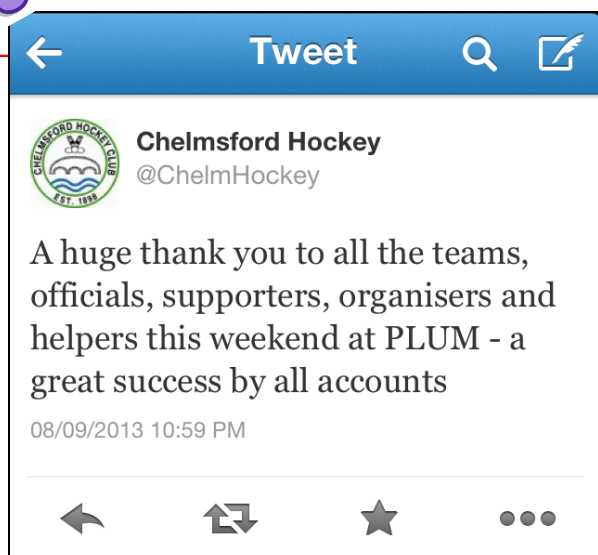

Hello and welcome to the 2013/14 season and the opening edition of the Top Scorers & Offenders! For those unfamiliar with the concept, all goals and cards get recorded throughout the season, and a weekly summary of the heroes and zeroes gets published for all to see!

With the opening round of competitive matches kicking off this weekend, results will be taken from the word go. Please could all the captains (or nominated team representative) get into the habit of e-mailing your scorers and card recipients to ts&so@chelmsfordhc.org.uk as soon as possible after your game so we can get the report up as soon as possible.

I'm looking forward to seeing how it all pans out, will Ed de Mello and Chris 'Bruiser' Wilson be toppled from their respective thrones?!? Stay tuned for updates every week throughout the season.

Junior Section Vacancies

Volunteers are sought to fill some key roles in the junior section of the club for the 2013/14 season.

None of the roles require any specialist hockey knowledge nor will they take up a great deal of time, but all are vital to the running of our club. If we can't fill them then important tasks simply won't get done!

Vacancies:

- ⇒ **Team Managers for U10 Girls, U16 Boys, U18 Boys** – responsible for general administrative tasks required to run these teams i.e. emails, phone calls, membership forms, liaison with coach, liaison with membership secretary, etc. This role must be great fun. Just look at how long some of our other managers have been in situ.
- ⇒ **Catering Manager** – required to coordinate the running of the clubhouse kitchen on Sunday mornings. Would suit somebody who prefers being warm and dry to standing by the side of the pitch throughout the winter months.
- ⇒ **Events Manager** – needed to organise junior tournaments hosted at Chelmer Park, typically 3-4 per season. The ideal candidate would be my wife because she enjoys telling other people what to do. Unfortunately, she's not available.
- ⇒ **Zevenbergen Tour Coordinator** – responsible for coordinating the army of volunteers required to host the Zevenbergen junior tour to Chelmsford in Spring 2014 and the organisation of the junior tour to Zevenbergen in Spring 2015. Would suit one of the freeloaders who enjoyed the visit to Zevenbergen last May.
- ⇒ **Kit/Equipment Manager** – responsible for coordinating the supply of kit/equipment to junior team managers and coaches i.e. playing kit, balls, cones, bibs, first aid kits, etc. Frankly, this is the easiest job of the lot. If you want to look important but like an easy life then this is the one for you.
- ⇒ **Communications Officer** – required to ensure club members, website visitors and media organisations are kept informed of junior news, information, events, etc. through website, newsletters, emails, etc. Don't apply for this unless you're comfortable using technology. Nerd required.

Full job descriptions, and some training/handover, are available for all these roles upon request. Please contact **Kitch** by **email** or on **07785 550595** for a confidential chat if you think you might be able to help with one of these roles or in some other way. Please note that some of these roles will require the candidate to be CRB checked.
