WHISKY NIGHT - THIS SATURDAY**30th November, 7.30 onwards****Contact Robert Nourse for tickets.****OWN GOAL RULE**

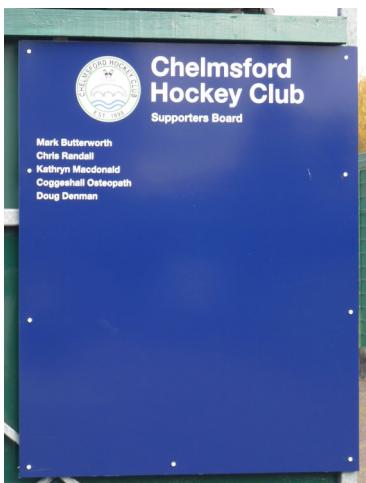

The International Hockey Federation have this week announced that the own goal rule is due for the chop following its trial implementation. No longer will it matter if a defender or GK touches the ball (big sighs of relief...) but now an attacker will have to touch the ball in the 'D' and so we revert back to where we were a year or two (and more) ago. Individual hockey associations can determine the timeline but it'll definitely be out by season '14/15.

**SUPPORTERS BOARD**

The more observant amongst you will have noticed the brand new "Supporters Board" attached to the stands on the water based. This is displayed to show those people who, since the start of season 2013/14, have donated £250 or more to the club. As you are all no doubt aware the club is not a profit-making organisation; all money raised from subs/match fees etc goes into the running of the club, maintenance, teas, league entry fees, development etc and the majority of positions in the club are entirely voluntary. Therefore the club are always looking for ways to generate income so that we can look to develop our facilities and our club further. Therefore if you would like to make a donation or indeed have any fund raising suggestions then please contact the Sponsorship Committee at sponsorship@chelmsfordhc.org.uk.

If you've got any comments, suggestions for future articles, announcements or just generally any questions then please drop us an email at newsletter@chelmsfordhc.org.uk. *Kat & Anna*

1) Steve, congratulations for the weekend's performance. Is 5 goals in one game your proudest achievement on a hockey pitch?

No it isn't but it's close. I think the proudest moment so far has to be winning the Futures Cup with the Saxon Tigers this season.

2) How traumatic has it been receiving cards this year instead of handing them out (editors note - Steve may or may not have been responsible for 90% of the cards handed out last season as an umpire)
It's been weird being the getting the cards but it's good to see the umpires letting you have a little rest now and then.

3) You've got enough cards and goals to finish in both of last seasons top 10's - is it a season aim to stay there?

I think it would be an achievement to stay in both Top 10's, hopefully I don't have to get any cards to stay there.

4) You're now running Jonny Wilcox close for top scorer in the Men's 2nd XI, do you fancy your chances of beating him this year?

I think Jonny has got the edge on that one, he just always seems to score.

5) In such prolific form, do you expect another call up for the Men's 1st XI in the near future?

I'm happy where I am at the moment, we've got a really good team and were having a really good season scoring loads of goals.

6) What would be a prouder moment, crowning the Top 10 Scorers or Serial Offenders charts this season?

I think crowning the Scorers Chart would be better but the Ladies 4th XI seem to be on that so I'll take the offenders this year.

We'd like to thank Steve for his time and good humour in conducting this interview. Check back next week for round 4 of the latest instalment of '60 Seconds With...' - put in a big performance this weekend and it may be you!
