Captains... An apology

It took us all of one edition to make a mistake... We apologise to the Men's Veterans and Men's Evergreens, and their respective skippers David Woods and Peter Hollebon for omitting them from last weeks list of 2014-15 captains.

Members Feedback

We had the feedback from a member survey that we e-mailed out for completion at the end of last season. The results were generally positive but did highlight coaching and selection as areas to improve on, both of which we are addressing this season through the new coaching and selection structure that is in place. Below in the tick box is a link to the report, which we ask all members to read.

An EGM will be held in December (details to be confirmed nearer the time) and encourage anyone with other/additional views to come back to me or bring these to the EGM in December where we will be welcoming further feedback from members.

Message from the Chairman!

We're always on the look out for members who can help off the pitch with running the club. If you have the skills, and to mention a few ideas, if you're interested in coaching, media, running the bar, organising events or keeping our facilities in good shape, then this could be a great opportunity for you. There's plenty of scope. Apart from being very rewarding, it looks great on the CV to show that you're actively involved in volunteering. So tell us how you'd like to be involved and what you can bring to the party. We'd love to hear from you. Please speak to Spencer in person, on the phone (07833446406) or via e-mail (spencer.wilcox51@gmail.com)
