Ladies Indoor Hockey

Any ladies interested in playing indoor hockey? The Club Indoor team has 4 dates through the season all on a Thursday evening at the Brentwood Centre. It's a great opportunity to hone some skills at pace in a fun environment! Please contact Bryony Pipe at bkp284@hotmail.co.uk if you're interested!

First Social of 2014/15...

Over 40 people attended the first social of the year on Saturday, which consisted of a Chinese takeaway and only a few leftovers... Thank you to Tori Clark for organising and to everyone who came along, we all look forward to many more in the coming season!

Pitch Cleaning

Pitch cleaning work has been undertaken this week and has been very successful, it's looking in great shape and will be fully functional for this weekend's fixtures. We do ask that you continue to use the footpaths and avoid the grass, and please encourage all opposition to do the same.

TSSDO

A record breaking week for the club - Rayner goes top, Ross claims the performance of the season and Gore scores for two different XI's separated by 8 leagues! Read all about it [here](#)

60 Seconds With...

...will feature stand-out performance of the season Matt Ross - keep your eyes peeled on the website for its appearance later in the week.

Club League Table

A new feature for this season - the club league table! This will pit every team's results against each other in one league table, whether it be league, friendly or cup, and each result will be put into the below league table. The table is sorted by Average Points/Game, then points, then Goal Difference, then Goals Scored. It's early days but the Men's 1st XI have a narrow lead at the top but there are 6 teams with 100% win records!
