

## Youth Section Update March 2005

- Chairman's Letter
- Awards and Elections
- County Honours
- Dates for your Diary
- County Trials entry form

### From the Chairman...

It hardly seems possible that we are already into March and are close to the end of our winter season.

We have seen some great successes with the U18 girls' indoor team getting to the National Finals, the U16 girls' indoor team reaching the East play-offs, the U16 boys' team reaching the Mercian League Regional quarter finals, the U13 girls' indoor team winning the Bishop Stortford Indoor Tournament, the U13 girls' team coming runners up in the Essex mini championships and the U11 girls' team coming runners up in the Essex mini championships. A mention too for the U11 boys' team who reached the finals in the mini championships, in spite of having started the season with just 6 players. And we are still involved in other competitions!

However, even when we have not won, we have seen some fantastic hockey; from our youngest members, some just aged 4, starting to learn their skills on Sundays, right up to the U18 boys who can put on an amazing show, particularly when they are all available. (Their display against Ipswich was awesome!) It is incredible to watch .... I hope it is as just as good to play.

Added to that we have junior members playing in all the adult teams - except the Vets - and that suggests that the future looks good for us all.

Winter training will soon be coming to an end, but we are looking to continue training throughout the summer – look out for dates and times. This is purely for fun. It will help to maintain skills and fitness and help in preparing for County and East trials – it should also be a good opportunity to keep in touch with your friends!

As always, a big thank you to all coaches, managers and parents who have made this all possible!
