WELCOME to Chelmsford Hockey Club's Youth Section

The new season is fast approaching and I am delighted to welcome you to this newsletter and the Club.

There are specific activities for the young members of our club. Having reached the grand age of 5, and starting in year 1, we run training sessions on Sunday mornings with loads of helpers to help you learn how to play. You start by learning the mini game, which is played on half a full-sized pitch, with 7 players in each side.

As you learn there are opportunities to play in the White Knights' League against other clubs and also to play indoor hockey.

Once you reach year 5 you move into the U11 age groups. Training still continues on Sundays, but boys will train separately from girls. In addition to the White Knights league there are the Essex Mini competitions and other tournaments and opportunities to trial for the Essex teams. All this continues until the end of year 8.

Once you enter year 9 you start to play the full 11 a-side game, train on a mid-week evening and, if you wish, start to get involved in the senior teams, playing on Saturdays. The youth teams then play in the Mercian League and England Hockey Association Cup. There are also opportunities to continue playing indoor hockey as we enter the National Cup competition.

The Club has links with teams in Holland and older members of the Youth Section (age13+) have an annual get together with the youth of Zevenbergen; alternately hosting a weekend tournament in Chelmsford or travelling to northern Holland – this season it's our turn to host: watch out for details!

Last year our U18 girls' team reached the National Plate final and the National Indoor finals competition. The U16 boys' team reached the national quarter finals following their performance in the Mercian League. The U13 girls won the Bishop Stortford indoor tournament and were runners up in the Essex Minis. The U11 girls won the Old Loughtonians' tournament and were also runners up in the Essex Minis. The U9s were runners up in an inaugural indoor competition for their age group. Many of our players represent Essex and some play for the East region – so we can get pretty serious about our sport!

Once you reach the senior teams then not only can you play in the senior sides on Saturday, but there is mixed, summer and indoor hockey as well! The club is very successful - being one of only 3 in the country that has a men's and a ladies team in the National Premier League.

Basically we are a pretty mad bunch who enjoy playing hockey, socialising and having fun!

For the parents on Sunday mornings there is tea and coffee, with bacon rolls in the clubhouse and we welcome your support, involvement and any other assistance you can give.

Judith Krone

It is strongly recommended that players wear gum shields at all times, during training sessions AND matches.

As in previous years, we are hoping to arrange gum shield fittings at the beginning of the season in the Clubhouse.

Please watch website for more details.

Existing Youth members will be receiving 2005/06 membership forms by post during the 3rd week in August. Please check to make sure that we have your correct details, **especially an active email address**. We are trying to encourage the use of email as it saves a lot of time and telephone calls if managers/coaches etc can contact you this way.

Parents wishing to use the bar on a regular basis may become Social Members at a cost of £10.00 per year. Similarly, if you wish to be involved in the youth section in any way, you should take up membership as insurance cover is then acquired.

On the back of membership forms for players under 18 years of age is a consent form, which needs to be completed and signed by a parent or guardian. A copy of the consent form will be given to the member's team manager. Older youth members who play for senior teams on Saturdays will be given a copy of their consent form to be kept in their kit bags.

WHO'S WHO:

Youth Section Management Committee 2005/2006

There are many other parents involved in the 'day to day' running – not least the Coaches and Managers listed below! – but we can always use more help! e.g. in the kitchen on a Sunday morning, publicity/website, making team teas for youth League matches, fund raising ideas, transporting children to away tournaments/fixtures.

If you feel you can spare some time/expertise then please speak to any of the people listed here, most of whom you will find at Chelmer Park on a Sunday morning or Wednesday evening!

Don't be shy: remember 'Many Hands Make Light Work'

and, as you will already have read, *basically we are a pretty mad bunch who enjoy hockey, socialising and having fun!*
